# come to the cabaret.....

**This cabaret night organised by the Anti-Apartheid Movement's (AAM) Womens' Committee and London Committee is an evening of celebration of the women of South Africa and Namibia. A women only platform will include dynamic speakers, cabaret artists, musicians and poets joining together in solidarity.**

**■ The women of South Africa and Namibia triply oppressed as Blacks, as workers and as women, defiant and undeterred, are still in the frontline of all political campaigns against apartheid. Women have organised in the community to resist:**

**■ unjust rents, ■ rising living costs, ■ transport issues, ■ forced removals, ■ unemployment, ■ police and army in the townships, ■ unfair work conditions, ■ and the detention of children.**

Formed in 1982, the AAM Womens' Committee aim to highlight the particular struggles faced by women living under apartheid through organising events, producing a quarterly newsletter, fundraising, collecting material aid, providing speakers & stalls.

Women in Great Britain have the opportunity to show their solidarity with the Women of South Africa and Namibia by , linking up with/actively participating in the Anti-Apartheid Womens' Committee:

*Subscribe to our quarterly newsletter, help in producing it, come along to our meetings at 6.30 p.m. on the 3rd wednesday of every month at 13 Mandela Street NW1.*

*Contribute to the organisation of the AAM March month of Action on Women followed by a National Womens' conference.*

*Support the 1989 AAM Boycott Campaign by getting involved in these activities.*
