10,000 political prisoners in Vorster's gaols - torture and
assault - the Gandar trial - 180 day Law. We Demand :

STOP THIS SAVAGERY!

RELEASE SOUTH AFRICAN POLITICAL PRISONERS

RUSKIN COLLEGE KITSON COMMITTEE

Dave Kitson must not be forgotten

As he made the attempt to do what most of us talk about

Victim of the apartheid laws in South Africa

Every trade unionist must support us in this project

Kitson is only one of many South Africans

Imprisoned for his participation in the Civil Rights Movement

Twenty years, without remission is the

Sacrifice he and his family have to pay

Our aim is to obtain his release

Now as well as the release of his colleagues.
