

STOP THE TOUR!

National Petition

JOIN THE CAMPAIGN to stop the tour of apartheid South Africa by English cricketers. **Please sign this petition!** The results of this petition campaign will be presented to the Prime Minister, the Test and County Cricket Board (TCCB) and the cricketers themselves.

We, the undersigned

- are totally opposed to the evil system of apartheid
- believe that the sports boycott of South Africa is contributing towards the end of apartheid in sport and the creation of a non-racial South Africa.

and therefore

1. call upon the cricketers to abandon the tour
2. welcome the action taken by the TCCB and urge it to consider further measures to ensure the tour is cancelled
3. appeal to the Prime Minister, Mrs Thatcher, to directly intervene to persuade the players to withdraw from the tour.
