# THE ANTI-APARTHEID MOVEMENT

## For Freedom in Southern Africa

The crisis in Southern Africa and the role of the British government as the main supporter of apartheid have plunged the AAM into more campaigning activities than ever before. **The people of Southern Africa have never needed your commitment and solidarity as much as they do today.**

*The AAM campaigns for:*

- Full British sanctions against South Africa
- People's sanctions through consumer and other boycotts
- The release of Nelson Mandela and all political prisoners in apartheid jails
- Solidarity with the liberation movements in Namibia and South Africa
