DON'T BUY RACIALISM -

TELL YOUR GROCER WHY -

**DO YOU KNOW THAT WE IN BRITAIN
BUY ONE THIRD OF SOUTH AFRICA'S
TOTAL EXPORTS?** We spend £110 million
per year on South African goods, mainly
foodstuffs and wine. Much publicity has already
been given by the press to the recruitment of
slave-labour for the farms that produce these
goods: and it is in protest against slave-
conditions on the farms that the Africans are
now denying themselves a staple food —
potatoes

HELP DEFEAT THE SOUTH AFRICAN
RACIALISTS BY BOYCOTTING ALL
SOUTH AFRICAN GOODS

Don't buy Racism!

Don't buy South African!

On South Africa Freedom Day, June 26th, the non-white peoples of South Africa launched a boycott of all goods produced by industries that support the **apartheid** regime

These South Africans are waging a heroic struggle to win basic human rights, and they look to you for their support. In deciding on the boycott, the African National Congress said:

'The economic boycott in South Africa has unlimited potentialities. When our local purchasing power is combined with that of sympathetic organisations overseas, we wield a devastating weapon'
