FREEDOM**

10.30am

Sunday 17 October 1993

Organised by Sheffield AAM to
enable the African National Congress
to participate fully in South Africa's
first free elections

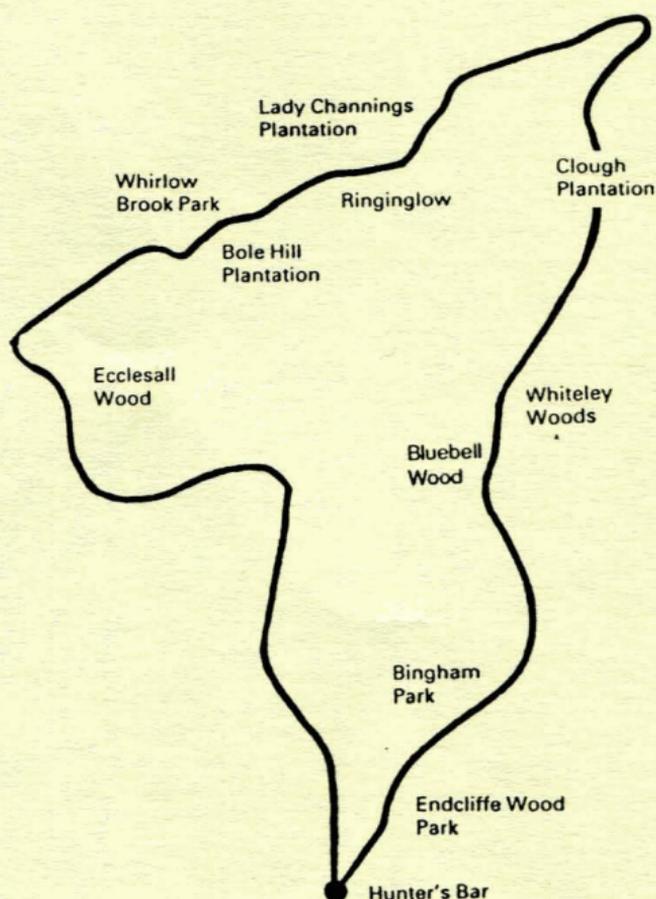

The Funds

All the money that we raise will go the African National Congress to ensure that they have the financial resources to participate equally in South Africa's first free election on 27 April 1994. The money is needed for voter education and campaigning materials in the face of the enormous resources available to the National Party.

The Walk is just one of a number of activities which will be organised over the next few months to help the Sheffield ANC Election Fund reach the target of £5000. For more information on other activities, contact Sheffield AAM on 739147 (24 hours).

The Route

Covers 12 miles, through some of Sheffield's finest countryside. Starting at Hunter's Bar it follows the route of the famous 'Round Walk' for much of the way.
