## To Our Customers

### Dear Mail Order Customer,

Our new catalogue has a special focus on Angola – one of the six Front Line States of Southern Africa and forced to defend itself from repeated South African attempts to invade, conquer and occupy.

We are sure you will enjoy our new brand of filter ground coffee from Angola and Zimbabwe, CAFE VITORIA. Coffee is a priority export crop for Angola in its fight against apartheid and for economic development.

The women of Angola are in the forefront of that struggle and we are very pleased to tell you that our trading links with the Organisation of Angolan Women (OMA) have borne fruit in a new T-shirt and set of greeting cards based on designs by Angolan women artists and available through our catalogue.

Our Summer catalogue is being launched during the Anti-Apartheid Movement's Month of Action in solidarity with the Front Line States. The campaign goes on throughout the year – to expose South Africa's regional war, to enforce the arms embargo and to win fully comprehensive anti-apartheid sanctions. We in AA Enterprises intend to do all we can to build that solidarity through our trading activities.

Other highlights this year include Nelson Mandela's 70th birthday on 18 July – keep in touch with us for news of commemorative goods and gifts that you won't want to miss.

*With best wishes,*
